

Storytelling in Wildlife Photography presentation by Andreas Exner

Thursday, February 13 at 6:00 p.m.

Location: E.B. Lyons Interpretive Center, Mines of Spain State Recreation Area

Hosted by the Dubuque Audubon Society and the Dubuque Camera Club

Dubuque Camera Club member **Andreas Exner** will give a presentation of his bird, wildlife, and nature photography on Thursday, February 13, 2020, starting at 6:00 p.m. at E.B. Lyons Interpretive Center, Mines of Spain.

Andreas will focus on storytelling and creating environmental awareness through nature photography. This free presentation is a sequel to his earlier presentations, and it will feature 50% new photos, as well as old favorites. You will learn how to take better photos and see beautiful original images of regional birds and wildlife.

Andreas uses a digital camera to take his pictures. Originally from Germany, Andreas has lived in the U.S. for the past 15 years. He and his wife make their home in rural Durango, north of Dubuque. Many of his best photos were shot in his own backyard. He also enjoys photography field trips to places like Mud Lake and Green Island, as well as farther afield.

Learn more about Andreas, read his blog, and view a photography portfolio on his website at <http://www.exnerimages.net/>

This free, family-friendly event is sponsored by the Dubuque Audubon Society and the Dubuque Camera Club.
